

Summer Reading Challenge

In preparation for Year 5/6, we would like the children to complete a Summer Reading Challenge. Please encourage your child to read at least one of the books from the Recommended Reading List on the reverse of this letter or any other book you find recommended on the two websites listed. Many of these books will be available at the local library, so there is no need to purchase them. Please continue to use this list to choose books for your child throughout their time in Year 5/6.

In September, we will be discussing the books the children have read in class and answering questions based on their experience of reading them.

Remember our motto: Reading Makes me Brainy!

Please complete the slip below and return this to school in September.

The whole Year 5/6 team hope you enjoy your summer and we look forward to seeing you all in September.
