

Highlights

We wrote our own Sound Collector poem (*Shayla*)

I like maths because you can learn how to double (*Chloe L*)

I love playing a new game called 'meow, meow' (*Abigail*)

The chocolate melting experiment was the best because we got to eat chocolate! (*James*)

I have enjoyed making new friends like Shayla (*Zaynah*)

My favourite lessons have been in RE and Guided Reading (*Alex*)

We touched slime and it suddenly went rock solid! (*Ella*)

I really enjoy making craft in RE with Mrs Pearce (*Layla*)

I explored how to find right angles. (*Oliver*)

How to make a Roman Shield- step by step guide by Elm

1. Use a plate to draw the rounded edges.
2. Paint your card with red paint.
3. Draw around common Roman templates like wings and arrows out of silver/gold paper.
4. Spray paint your yogurt pot silver.
5. Attach with a glue gun and make your handle. Commence battle!

Highlights

I loved being a servant during Roman Day! (*Michelle*)

I really enjoy being with my teachers (*Oran, in no way prompted by Mrs O/Mrs W!*)

I'm really good at sport- Netball has been fun this term (*Leo*)

Roman Roads were interesting to learn about (*Nataylia*)

I love pushing myself in maths (*Chloe C*)

Watching the egg drop was so much fun in science (*Henry*)

I liked doing loads of activities, especially art, French and Guided Reading (*Amelie*)

You would love it in Elm class- especially Marble Party time (*Ava*)

Topic has been great because we have completed lots of craft (*Emilia*)

Performance Poetry – a snippet from *Amelie* and *James'* poems:

The typing of the keyboard
The falling of a pear
The howling of the wind
The children giving dares

The banging of the builders
The rumbling of the car
The whooshing of the wind
The slurping of the milkshake

Highlights

I did really well in my reading comprehensions
(Lily Chetwynd)

The school forest is a lot of fun to explore
(Kimberley)

Playing football with my friends- especially when
it's a free kick (Jack)

I loved listening to the story and having hot
chocolate in our marble party (Alex)

Making Roman Roads was really interesting (Lilly
Cook)

The cornflour experiment was the best activity
(Isaac)

All the science experiments and doing lots of PE
were great (John-Mark)

Making a Roman Shield was great & I enjoy
playing 'spying' with my friends (Mateo)

I've enjoyed making new friends and doing PE
(Evie)

I'm impressed with my handwriting (Callum)

Above: Steel drum dancing
Below: Our Roman roads

We know a lot of stuff! In maths we've been working hard at calculating using different methods. We've been testing theories about mass and weight by measuring or weighing different objects. We debated what's heavier?

1 kg of bricks or 1kg of feathers?

We wish you all a joyful, happy Christmas.

Mrs Walker, Mrs Ociepko and Elm class.

If you would like to be emailed the video clip of us marching in soldier formations as a class, email Mrs Walker: ewalker@bottisham.cambs.sch.uk
