Dear Parents / Carers,

## Wearing Blue for WaterAid

Following the success of our fundraising last year, we are going to have another 'dress in blue' day to raise money for the charity WaterAid. WaterAid is an international organisation whose mission is to transform the lives of the poorest people by improving their access to safe water, sanitation and hygiene. They work with local partners in countries across the world to deliver clean water, toilets and promote good hygiene.

On Friday 4<sup>th</sup> May, we are inviting all the children to come to school wearing something blue in exchange for a £1.00 donation to WaterAid. This will be a non-uniform day so if the children have no blue clothing, they can still come in their own clothes and donate £1.00.

If you would like to find out more about the work of WaterAid, you can visit their website at [www.wateraid.org/uk](http://www.wateraid.org/uk)

Yours sincerely,

Rachael Johnston
