

# Bottisham Community Primary School

Headteacher: Rachael Johnston

Tuesday, 10<sup>th</sup> March 2020

Dear Parents and Carers,

Your feedback is extremely important in helping us to ensure that we can make the best provision possible for our pupils. Our governors carry out annual parent surveys to give them a better understanding of how parents feel about Bottisham Community Primary School. We would be extremely grateful if you would be able to complete this survey by following the link at the bottom of the email. The Governors and school leadership team will use the information obtained to assist us in our role planning the strategic direction of the school, and will report back on the survey's findings in the summer term. Please answer honestly, and try to provide them with as much additional information where required.

To encourage as many parents to respond as possible, the governors are awarding 50 House Points to the house which collects the most parent responses – the survey is anonymous, but you'll be able to indicate which house you'd like to receive the points at the end of the survey.

If you have any questions about the survey or would like to speak to our governors about another matter, you can reach them via the contact details shown on the school website.

Many thanks for your time in advance – your views are very important to us.

Yours sincerely,

Rachael Johnston  
Headteacher
