Dear Parents/Guardians

## 52 Lives Kindness Day

Happy New Year! What better way to start the New Year than by promoting the absolute benefits of kindness throughout our community. This coming Friday we have visitor from 52 Lives School of Kindness to help us with a special project.

The 52 Lives School of Kindness is an incredible charity who believe that kind is the most important thing a child can be. They are working hard to create a culture of kindness in the classroom and encourage children to become courageous advocates for positive change. We are looking forward to getting involved!

On Friday we will be visited by Greg Trout, the Director of Kindness who received a Prime Minister's Point of Light award in 2019, and was also named in The Independent's Happy List in 2015. We can't wait to meet him and enjoy a whole school project making gifts and trying out ways that we can show kindness to someone in need.

Do find out more about this charity at <https://www.52-lives.org/schools/> and please ask your child all about it when they come home on Friday afternoon. Maybe you can think of other ways as a family to show kindness to someone who really needs it.

Yours Sincerely

Mrs D. Heijne
