

Communication and Language:

- Shows an understanding of the use of objects by the appropriate use of tools within the setting.
- Uses language and gesture as a means of communicating feelings, sharing experiences and thoughts.
- Uses simple sentences in communication with others.

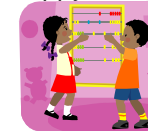

Literacy:

- Listening to stories and joining in with repeated phrases in familiar stories
- Joining in with songs and rhymes
- Exploring mark making/early writing using a range of resources
- Recognising own name in print
- Showing a preference for RH/LH when mark making

Personal, Social and Emotional Development:

- ‘All about Me.’ – What do I look like? How do we look when we are happy, sad, cross, excited etc? Painting self-portraits.
- How do our feelings affect the way we look? Happy/sad?

- Making friendships – learning the names of the other children
- Working co-operatively – sharing and taking turns. Working together on our underwater display.

Nursery Autumn Term Topic Web 2019

Under the Sea
 ‘All About Me’
 Autumn
 Bonfire Night
 Diwali
 Christmas

Physical Development:

- Demonstrates developing co-ordination - Drinks well without spilling and pours own drinks at snack time.
- Demonstrates preferences for certain foods and shows a willingness to try new foods.
- Shows control when using different tools within the nursery environment – jugs for pouring, scissors for cutting and mark making tools.

Mathematics:

- Reciting numbers in the correct sequence 1-5 and then 1-10 and recognising some written numerals.
- Shapes – Recognising simple shapes. Using shapes in collages – underwater display - sea creatures and submarine

Understanding the World:

- Under the Sea – Investigating the natural world by looking at different sea creatures
- ‘All About Me’ – Looking at similarities and differences in appearance – eye colour, hair colour, skin colour.
- Exploring different cultures through celebrations and festivals – Diwali/Christmas

Expressive Arts and Design:

- Independently using creative resources at free creative table to make own pictures.
- Taking part in adult led creative activities to create our underwater display
