

Dear Year 4 Parents/Guardians,

The Burwell House residential Year 4 trip is fast approaching; 3 weeks to go at the time of writing. I hope that your child is getting excited, it'll be a fun, action-packed couple of days.

It was great to see those parents that could make the talk yesterday. There were some good questions, which I have answered in the presentation. This is available to download in PDF format from your child's class webpage on the school website. Alternatively, click the link below to download from my class page:

With the unpredictability of the British climate, please ensure your child comes prepared for all weather conditions. Here's a link to the kit list:

Thanks for being so prompt with returning all the forms sent out, this has been a great help to enable me to prepare the trip.

Regards,

Duncan Legge
