

# Bottisham Community Primary School

Interim Head: Lisa Perry  
Deputy Heads: Christine Sheppard and Debbie Heijne

Monday 10<sup>th</sup> June 2019

Dear Parents and Carers,

## Super Science Day 2019

This year's Science Investigation Day will be on Friday 21<sup>st</sup> June.

The day will provide children with an opportunity to participate in a wide range of practical activities linked to biology, chemistry and physics. It will be a fantastic learning experience for all of the children in the school and especially enjoyable as they will be working in mixed-age groups (House teams) within their Key Stage (KS1 ~ Years Reception to Year 2) (KS2 ~ Years 3 to 6).

**Calling all parent/ grandparent helpers!** We are looking for volunteers to help with the general management of practicalities such as preparing equipment, supporting activities, setting up and tidying away activities etc. It will provide a lovely opportunity to see your child working with others and engaging in hands-on science!

The day will culminate in a sharing assembly at 2:45pm to look at the array of activities undertaken and parents would be warmly welcomed.

If you are able to help, or you would like to attend the sharing assembly at the end of the day then please complete and return the slip to your child's class teacher as numbers in the hall are limited due to fire regulations.

Yours faithfully,

Mrs Childs  
Science Co-ordinator

Please tick as appropriate

I would like to help support the activities.	<input type="checkbox"/>
Your name .....	Name of child.....
Your contact email .....	
I would like to attend the end of day assembly 2:45 – 3:15.	<input type="checkbox"/>
