

Bottisham Community Primary School PTA

presents...Elfridges!

Another new event, this is similar to our Mother's Day gift wrap event where children come in to our little gift shop, choose presents and then we help them wrap!

Our pop up shop will be on **Monday 4th December** during the morning. We will collect the children from their classes, help them wrap their presents and then return them. Open to all children from nursery to Year 6!

Deadline for forms: 3pm on Friday 24th November

IMPORTANT INFORMATION - please read!

- Please Note that the cost of £4.50 allows for one present and gift wrapping. If you would like your child/children to chose more than one present, the cost will be £4.50 x the number of presents required.
- This time round we will not be able to have siblings in different classes wrapping together due to time constraints and availability of helpers. We will try our best to ensure that siblings don't chose the same presents!
- We purchase presents as bookings come in so it is **ESSENTIAL** that you check for receipts. We really hate seeing children who expected to be wrapping not being collected as they are not on our list, so please do check with us via our email address if you do not receive a receipt. For this reason also, late forms cannot be accepted.
- Please note that the booking form includes a tick box to let us know whether the present is for a male or female. Please tick as appropriate.
