

How To Share With The Seesaw App

Setup the App

Download the free Seesaw app, install and open.

Next, tap **I'm a Student**

Now, scan your special class QR code using the Seesaw app. You may need to click the blue **Scan Code** button first.

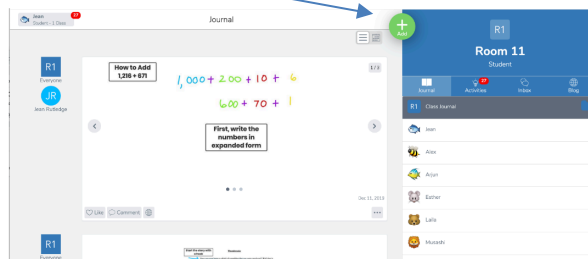

You will need to allow permission to access the camera and microphone. You must use the Seesaw app to scan the code as your Camera app will not be able to do this.

Tap your name – and you're all set!

Search further help information and videos at help.seesaw.me/hc

How to Share What You Do

To share anything you do at home, simply tap the **green add button**, then tap 'Post to student journal'.

Now – choose the type of post you'd like to add:

Photo

Canvas

Video

Upload

Note

Link

You can now create and edit your post – add voice recordings, video, photos, links and upload Word (or other) documents. When you're all set – tap the green tick to send it to us!

How to Complete Activities

As well as activities on our school website knoplaw.newcastle.sch.uk, teachers may add Activities on Seesaw:

Select **Activities** to see any tasks your teacher has uploaded.

To have a go at an **Activity**, click or tap the **Add Response** button.

You may be given options for how you can complete the Activity:

Type some text

To record your voice

To take or upload an image

To move an image or object

To draw or highlight

Once you are finished, click/tap the green tick to submit it.
