

# Knop Law Knews

Week Ending 3<sup>rd</sup> May 2019

Dear parents and families,

Thank you for your continued co-operation with the new morning arrangements. The children are enjoying the extra few minutes of playtime and are coming into school happy and ready to learn.

This term we are looking at improving our playtime provision and will be working with Opal Outdoor Play and Learning consultants to review our current arrangements and look at ways to use our amazing grounds to make playtimes truly fun. The children and staff are really excited about the project and have visited other schools to see playtimes in action and have been really inspired. Once the project is up and running we will be inviting you to come and find out more about our plans to transform playtimes.

We are also hoping to set up a special Young Inventors club which is based around playing and creating models with Lego. We are hoping that some families may have Lego stored away that they no longer use and would be happy to donate to school. If you wish to make a donation please drop it off at the office. Thanks in anticipation.

Enjoy the bank holiday.

Ms Simpson
