

KNOP LAW KNEWS

Week Ending March 12th 2021

Dear parents and families,

It has been an exciting week in school and we have enjoyed welcoming all the children back. They have been working incredibly hard and are enjoying being back with all their friends in school.

It has been a day of celebrations and a fun end to the week with our, No Outsiders themed, World Book Day. The children looked fantastic, dressed to impress, and have put their slippers and casual wear behind them now they are back at school full time. Afternoon tea and some dancing marked the occasion and celebrated the end of lockdown and the start of spring. We have lots of other exciting events and activities planned including Red Nose Day "Share a Smile" next Friday where children can wear Red Nose Day accessories or wear something red there is no contribution and joining in is optional.

Today we are sending some children's old exercise books home and plan to send your child's current books home for you to look at and see their fantastic work. This will be instead of our usual formal parent consultation evening. We are hoping that we will be able to have face to face consultations towards the end of the summer term where we can more accurately discuss your child's progress.

Arrangements for pick up and drop off are working well but can I please remind you that children walking to school should not enter the school site until a member of staff is present at 8.20am.

Have a good weekend.
