

Knop Law Knews

Week Ending 26th April 2019

Dear parents and families,

I hope you have all had an enjoyable Easter. The children have returned to school looking well rested and ready to enjoy the new term. The summer term is always action packed and I have re-attached the key dates as a reminder of all the events that we have planned. There are some exciting PE opportunities starting next week including Y5 tennis, Y3 cricket and the introduction of Y6 golf through Walbottle Golf academy. These sporting activities are being provided by external consultants and are a great way for children to try different sports and discover new talents, who knows we might have the next Tiger Woods in our midst!

Thank you for your co-operation and feedback about the new morning arrangements. The response to the new system has been generally very positive from children, parents and staff and we welcome any further suggestions that you think would make things even better. The school yard is now a much safer place and issues with the car park also seem to be improving. Don't forget you can pass a message to your child's teacher via staff on the gates, however if the matter is urgent please contact the school office.

We look forward to an enjoyable term and seeing you at the many summer events.

Ms Simpson
