

# Knop Law Knews

Week Ending February 5<sup>th</sup> 2021

Dear parents and families,

## 4145!

This is a significant number as it is the amount of work posted on our Seesaw app across school in the last seven days. Well done Knop Law, you've earned yourselves a no screen day on Friday 12<sup>th</sup> February!

Next Friday the theme is going to be "After the Rain" and links to ideas from children's mental health week. There will be a no screen day with a range of creative challenges for children to engage in by themselves or with family members. If children are working at home there will be an opportunity to drop their work off for their teacher in the week beginning 22<sup>nd</sup> February. The work created will form the basis of an exhibition and displays around school. Ideas for the project will be shared on Thursday 11<sup>th</sup> February so that there will be no need to use technology or post anything on Seesaw on Friday. Seesaw will be closed until Monday 22<sup>nd</sup> to give everyone a break from screens and have some time to create and do something different, which research suggests is good for everyone's wellbeing.

We have organised a rota so that children can safely drop their "After the Rain" work at the following times:

- Y5 & 6** and also siblings work: **Monday 22 February**
- Year 4** and also any siblings work: **Tuesday 23<sup>rd</sup> February am**
- Year 3** and also any siblings work: **Tuesday 23<sup>rd</sup> February pm**
- Year 2** and also any siblings work: **Wednesday 24<sup>th</sup> February am**
- Year 1** and also any siblings work: **Wednesday 24<sup>th</sup> February pm**
- Reception:** **Thursday 25<sup>th</sup> February am**

Please clearly label your child's work and drop it off at the door of the main hall. There will be prizes for the best work and Head teacher tokens too.

Enjoy being creative and we look forward to seeing your fantastic work.

Ms Simpson

PS. Just a reminder that school is closed to all children w/c Monday 15<sup>th</sup> February for half term. We re-open to critical workers and vulnerable children on Monday 22<sup>nd</sup> February and hopefully to all our families very soon.
