

School Sport Premium Funding Impact 2017/2018

| Key Outcome | Actions | Funding Spent | Evidence and Impact | Next steps... |
|--|---|--|--|---|
| | SJ used staff meeting time to share her knowledge in gymnastics on how to get out the large apparatus safely. | | <ul style="list-style-type: none"> Assessment data related to children's achievement in PE will be reviewed at the end of the year. Staff who have attended CPD more confident to extend gifted and talented pupils, evidenced in questionnaire results. | |
| <p>To improve the content of the curriculum by adding a wider variety of activities.</p> <p>To improve the resources and facilities available to children and staff.</p> | <p>New sports - Year 3 and 4 are going to be offered the opportunity to try a different sport to those offered here at Finstall. Aston Fields MS staff are going to support with the delivery of these sports. (Summer term)</p> <p>New equipment purchased to replace old, worn-out equipment. For example, new netballs were purchased so more available for teachers to use in lessons. Particularly useful for "Zero level" competition, which will be introduced in the summer term. Also purchased more uni hoc pucks, cones, bibs etc.</p> <p>The re-development of the School field, including a gopher-net to eradicate our mole problem is underway.</p> <p>SJ used staff meeting time to share PE knowledge in gymnastics on how to get out the large apparatus, thus making the most of resources.</p> | <p>Equipment / Resources £519.50</p> <p>Field Maintenance £9,000</p> | <p>Evidence</p> <ul style="list-style-type: none"> Termly spends document Pupil questionnaire <p>Impact</p> <ul style="list-style-type: none"> Some pupils will be keen to take up a new sport, leading to increased participation / motivation. More children being able to access equipment in certain sports e.g. Netball. More opportunities for smaller team games in lessons due to different bibs which has meant more children participating in competition at one time. Sports crew have been more involved in monitoring the equipment which has allowed us to identify shortages more efficiently. Staff will be able to utilise a bigger area to play sport on once the re-development of the field is completed - this will provide more space and, | <p>To monitor the subject in the following year to check staff confidence through observation and analysis of assessment information.</p> <p>To identify gaps in resources / equipment and purchase according to priority.</p> <p>To help fund raising for new playground markings.</p> |
