RE: Update 14/04/2020

Dear Parents / Carers

We hope this letter finds you well and that you've been able to find some time for yourselves in these strange times. We have been planning over this Easter period as to how we can continue to support you and continue elements of schooling to the best of our ability.

We will be increasing our offer at both schools for the number of pupils that we can accommodate in school for some time. This will vary, depending upon:

- Risk Assessment:
 - For those students that we feel do not meet the risk assessment criteria to be in school with others, we will be offering provision, based in a specific area of school, for the families to access with their children.
 - For those deemed more vulnerable, we aim to offer further provision where possible.
- Key Worker status: an increased number of days offered.
- Staffing & cleaning schedules.

Please see the attached document that we have developed for Learning at Home. This has been developed on the Slated Row School website to support all our families. (Note: The Walnuts School website is currently under development). We will continue to develop this area. www.slatedrowschool.co.uk

Kind regards

Jonathan Budd
