

SRS Parent online learning information

Updated : 29th January 2021

Friday 29th January 2021

Dear Parent/Carer

Following recent announcements from the government regarding potential school openings, Slated Row School will continue to operate with reduced class numbers until at least Monday 8th March. As mentioned in my letter on Tuesday 26th January, we want to ensure that the learning experience we provide for all our students is as appropriate and accessible as possible, meeting the needs of our students, both in and out of school.

We have continued to receive positive feedback on our online lessons and we want to continue to offer a variety of lessons and learning opportunities for our students. An area of concern that has been raised is that, with this new style of teaching, there is now obviously an increase in screen time for our students. Studies have revealed links to potential eye strain, sleep problems and health risks associated with less physical movement due to more time in front of electronic screens. With this in mind, we have adapted the timetable (see below) to involve more breaks and opportunities for students to have time away from the screen. As before, if there are any adaptations needed for a specific class, the class teacher will be in contact with you.

For those students who are at home, lessons will continue to be run by the class teacher, who will teach via Google Classrooms. Timetabled lessons, depending on the individual session, may not all take place online. Students may be instructed to complete activities which are not on screen, as part of the session. We do understand that your child may find it difficult to join in with a live lesson. Please do not worry if this is the case, as all resources are available on Google Classroom, for you to access at a time that suits your child. For those students without access to the internet or a computer at home, work will be provided and delivered to the home.

As previously, for Specialist subjects, where the timetable indicates that the student is accessing online activities, a link will be provided by the specialist teacher covering that lesson. In the case of students completing Food Tech, recipes will be sent out to students in advance.

As ever, thank you for your continued patience and support. We continue to make every effort to ensure the safety of all our students and staff at all times. As ever, please be aware that the above is subject to change following any forthcoming government announcements and any ongoing health and safety risk assessments.

Kind regards

Z. Baines

Miss Z Baines
Head of School

Please find below information that we feel is important to share with you and for you to discuss with your child in support of their online learning. We appreciate that, for some of our student's online learning is not suitable for them and we have previously discussed this with you.

- Slated Row will only be using Google Classroom for online live sessions.
- There should be no 1:1 sessions between class teacher and student. Sessions will be groups only. If your child is the first to join the Google Classroom session, please stay with them until others join.
- We recommend that Google Classroom is not used as a social interaction facility after school hours.
- Students should wear suitable clothing, as should anyone else in the household who may be visible on screen.
- Any computers used should be in appropriate areas, for example, not in bedrooms; and ideally the background should be changed or blurred. (This is an option you can select).
- Language must be professional and appropriate at all times, including any family members in the background.
- Please ensure your child demonstrates appropriate and respectful behaviour towards others online at all times. If your child does make inappropriate comments, they will be spoken to and may be asked to leave the session.
- Please ensure your child does not interfere with the settings of the Google Classroom, as this will disrupt the learning of others.
- We request that you encourage your child to access all online lessons. You will be contacted if your child is missing lessons, so we can best support you.
- Should a safeguarding concern be raised following a Google Classroom session, we will continue to follow our school safeguarding policy.

February Timetable 2021
Lower School: Elephants, Giraffes, Zebras

Lower		P1 8.40am - 9.00am	P2 9.15am - 9.45 am	BREAK 9.45am - 10.15am	P3 10.15am - 10.45am	BREAK 11.45am- 11.30am	P4 11.30am - 12.00pm	LUNCH 12.15pm - 1.15pm	P5 1.15pm - 1.45pm	P6 2.00pm - 2.30pm
