SPORTS DAY SUCCESS

This Wednesday, we all enjoyed a wonderful afternoon competing in our annual sports day' challenges. Yet again, our children did themselves proud and so many parents commented on the excellent support and encouragement that was provided, particularly by our older children.

We were fortunate enough to be joined by Rion Pierre, a GB athlete, who spent the morning talking to the children about his journey into sport. He also commented on the excellent behaviour of our children. Thank you to all of those who contributed to the fundraising—so far we have counted over £900 - 40% of this total will come back to school to purchase sporting equipment.

Our new event, the parent race, was a definite success. Thank you to all those who joined in; the children certainly enjoyed seeing their parents' competitive side. I think we will need to make this an annual event so start your training for next year now!

We encourage all of our children to be healthy and we offer a range of clubs. Look out for our clubs newsletter which will be coming out next week. As usual, these clubs will be allocated on a first come first served basis. We will be trialling a new table tennis club on Tuesdays and all of our children will have the opportunity to try table tennis in their school PE lessons.

We know that fresh air and exercise are beneficial to us all; let's hope that this summer holiday we get plenty of warm weather so that all of our children can get outside to enjoy the outdoors. Jane Watts
