KEEP READING!

This term, we have been focusing on developing a love of reading and encouraging reading for pleasure. Each week, our teachers have shared new books with the children and we have then ordered copies of the books for the children to share in class and borrow. Lots of the books we have shared can be found on this website www.authorfy.com.

If you want to encourage your child to keep reading over the Christmas holidays, the library have organised a reading challenge.

One of our grandparents has also made us aware that the 'Book People' are donating money to schools when you order books — so why not order one of these for Christmas to share together?

POLITE REMINDER ABOUT PARKING

AS the weather gets colder we tend to see more traffic outside of school. Please use the Memorial Hall carpark so that we don't have any congestion around the main entrance to school. Even if you are late, please do not drop your children off on the side of the pavement opposite school as this is highly dangerous.

It is a busy time of year so here are dates for your diaries!
