Additional works totalling £2.5K were agreed during the contract, these included upgrading the lighting, heating pipework and carpeting an additional section of the main corridor. Staff are concerned about access to the toilets and the doors. Resources committee to look into the issues raised by staff at their next meeting. | Oct | Res Comm. |
| 15. School Dinners | Tenders were received from 6 companies, the working party shortlisted the contract proposal with Peter Sulston in July. A shortlist of 3 companies, Caterlink, Lunchtime and Edwards & Blake were invited to present to the school working Party and to a panel of children on 15 th September. Following the presentations the working party met and unanimously agreed on which catering contractor they would like to appoint. As the presentation and quality of the food was all to the same high standard, the final decision was based on company ethos and financial offer. We are currently in a 2 week contractual cooling off period and therefore the formal announcement of the new Caterer will be the first week in October. KP who was a member of the working party informed Governors that the Catering contract process had been a positive experience and should be a rewarding outcome for the school. | Oct | School |
| 16. Chimney | RR was unable to attend the meeting but provided a brief update report. RR has continued to pursue negotiations with the various parties involved with the damaged chimney claim. It has been a very long and difficult process but RR is just waiting for the final resolution to be drafted and signed before the rebuilding work can be started. JW & PD thanked Roger for his relentless work, time and effort he has devoted to this situation, without his expertise the school may not have had such a positive outcome. | 19. SATS results | JW shared an End of Year Data report with Governors which provided an overview of results which will be reviewed in more detailed by T&L committee and then presented at FGB meeting in November. JW advised that Governors should focus on 'in school' data as it showed detailed progress of our children and explanation of percentages in each cohort. Alconbury School data was good and did not go below the national floor benchmark. The Year 6 cohort was a vulnerable group but some children did very well. The year end results were as expected as realistic targets were set and the school has a harsh assessment and marking policy. | Nov | T&L comm |
| 20. Future Development Topics | Governors agreed the following based on the outcome of the Governor Effectiveness Audit <ul style="list-style-type: none"> • Governor Visits – Priority Areas (<i>Plan to hold an informal Governor and staff evening</i>) • Data (<i>Use data monitor and assess progress of SEN pupils</i>) • Progress and Vulnerable Groups • Performance Management and Standards (<i>Governors felt they needed to develop their understanding of the process</i>) | ongoing | All Gov. and Comms. |
| 21. Agreement of Future Priorities | Governors agreed that Academisation would be the main focus for future FGB meeting and agreed to set a date for a workshop at next meeting. | | LH |
| 22. Any Other Business | <ul style="list-style-type: none"> • JW also thanked Governors for attended the Meet the Staff evening, which was productive in many ways as it promoted the work of the Governing Body and recruited new committee members and helpers for FACES. • JW advised that a new MDS had been appointed. A Year 1 child, recently taken into care (LAC) requires 1 to 1 support. The additional PPG LAC funding will be used to fund the 2.5 additional hours each week • JW & LH advised that fairer funding for schools had been delayed again and therefore additional funding for Cambridgeshire was unlikely. Governors were asked to consider alternative sources of funding. • LH advised all Governors to respond by 12th December to the DfE consultation "Schools that work for everyone" Many of the questions are 'directed' at Government policy school and do not allow for maintaining existing or alternative education provision. https://consult.education.gov.uk/school-frameworks/schools-that-work-for-everyone. • RM congratulated JW for putting her stamp on the school, commenting that the school both looks and feels different. JW you are amazing! JW added that the changes had only been possible because of team work. • CK advised he had attended a Governors Termly Briefing and had found it very informative.
