

Priory News 2017

Dear Parents,

As December begins, we look forward to the many events taking place in school in the final days of this term.

There are many exciting events to look forward to, including our Christmas performances. The children are busy rehearsing in preparation for these at the moment, and we look forward to you joining us to enjoy these.

On the final afternoon of term, we will end with our Christingle assembly – it is always a wonderful occasion and a beautiful way to end the term. We will post photographs of this on our website for you all to enjoy.

The Autumn term ends on **Tuesday, 19th December.**

Spring Term starts on **Thursday, 4th January.**

Happy Christmas!

Thank-you for....

Your support on Children in Need Day.

Together, we raised £174.45 for the charity.

A very big well done to Ellen, Grace, Keira, Grace S and Kayleigh, who held cake sales during the week, raising an additional £110 for the charity.

Proud to be Priory:

- CS6 and DR6's fantastic class assemblies.
- The enthusiasm and dedication shown by our children who volunteered to help at our Open Evening and the FOPJS Christmas Fair.
- Our Year 5 children – we were inundated with children applying to become a peer mediator, and were delighted to hear the lovely comments made about our children from the trainers.
- The high levels of Year 6 children completing the Bikeability training – well done!

Parents Do Day

Don't forget it's Parents Do Day on the 6th December! Parents are invited to attend school, to be involved in making a Christmas decoration with their child/ren.

The timings are as follows:

Coffee Morning – 18th December

We will be holding a festive coffee morning for parents on 18th December, between 9 and 10am.

Please drop-in to enjoy a mince pie and a drink, and be entertained with carols – sung to you by the children.

Number Link Boards

Following the high level of interest by parents at our maths information evening, we are delighted to be able to offer these to families to purchase.

These are a fantastic way of helping children to practise their times tables, with some fun games to play to help. Details about purchasing these boards were sent home last week – please make sure you send your order back to get yours!

Want to know more about how to use them? Come along to the demonstration on 5th December at 3.30pm, in JC3's classroom, or ask your child's class teacher.

The BASE

The BASE is open from 7.30am each morning for breakfast sessions.

We also have increased places in the evening sessions this term.

For more information about booking and fees, please visit the School website, or call in at the office.

All sessions can be booked online using the Gateway.

e-Safety

Have you seen the Thinkuknow website? This site is a great place to find information, advice and support for parents about the risks children may face as they grow, and how to support them. It covers a broad range of online safety issues from nude selfies to what to do if you think your child is being groomed online. Find it at www.thinkuknow.co.uk/parents

We hope the site will provide you with some of the information you need to help you keep your child safe online.

Do you.....?

Have names in all your child's belongings – jumpers and coats included? We are always surprised by the number of coats that find their way to lost property, but have no names in them.

Please help us to help you locate belongings by putting your child's name in their belongings.

Music Assembly

We are looking forward to our Music Assembly on the last day of this term. If your child is taking part in this assembly, you will receive a letter in the near future to tell you about this, and invite you to attend.

The assembly will start at a slightly later time on this morning – **at 10am.**
