

# Muck, Mess & Mixtures

Charlie has taken over Mr Wonka's factory. He now needs to learn about chocolate and invent his own incredible chocolate bar. George has finally finalised his potion recipe. He now needs help to create a label and market his marvellous mixture.

**English:** The children will look at a selection of Roald Dahl's books. We will spend some time on Charlie and the Chocolate Factory, George's Marvellous Medicine and Revolting Recipes

- Instructions
- Book reviews
- Adverts
- Non-chronological reports

**Maths:** We will work on money and fractions.

- Counting money
- Selecting money
- Finding change
- Recognising a half, quarter, three quarters and a third
- Counting in fractions

**Science:** We will look at animals, including humans and complete some messy experiments with an everyday material focus.

- Basic needs
- Exercise
- Hygiene
- Where does our food come from?
- Growth and lifecycles

**Art:** The children will explore colour. They will create work inspired by a selection of artists including Alma Thomas and Yayoi Kusama.

**PE:** Points of contact – a gym unit with a focus on balance

**PSHCE:** Wren will explore both the Conflict Resolution unit and the SRE unit My Wonderful Body.

**Computing:** The class will use Purple Mash software to create digital images.

**Music:** We will listen to a range of genres and create artwork in response. The children will also use instruments to create sound effects for our story.
