

Creating a Microsoft Account

DISCLAIMER: The information provided is correct at the time of publication. For complete instructions and further details, please visit the [Microsoft Account website](#).

How to create a Microsoft Account (via the SIMS Agora Login Page)

Step 1

- Using your Internet browser navigate to <http://www.payyourschool.co.uk>. On the **Welcome to SIMS Agora** page, click the **Microsoft Account** logo in the centre of the page to display the login page.

A list of compatible Internet browsers can be found here: [Frequently Asked Questions](#).

Step 2

- On the **Sign in** page, click the **Sign up now** button located in the bottom right-hand corner.

Don't have a Microsoft account? [Sign up now](#)

Step 3

At this point you can either select to use an existing email address for use with the Microsoft Account or create a new email account. However, rather than creating a new account, we would recommend that you use an existing email address to set up the Microsoft Account.

Do you have an e-mail address?

If you have an e-mail address, you can use it to sign in to Windows Live ID sites. If you don't have an e-mail address, you can get a free MSN Hotmail e-mail address.

-
- Yes**, use my e-mail address
 No, sign me up for a free MSN Hotmail e-mail address
-

Continue

Cancel

- If you would like to use an existing email address, please select the radio button at the top and then click **Continue**.

Step 4

- Enter the email address you would like to use for your Microsoft Account and the desired password. Retype the password to confirm.

Create your email address and password

Email address:
The address can contain only letters, numbers, periods (.), hyphens (-), or underscores (_).

Password:
Six-character minimum with no spaces
[Learn how to create a strong, memorable password.](#)

Password strength: Not rated

Retype password:

Step 5

- You must create a **password reset option**. To do this, select a question from the drop-down menu and enter an answer only you would know.

Create your password reset option

If you forget your password, you can provide the secret answer to reset it. [Learn more about resetting your password](#)

Question:

Secret answer:
Five character minimum; not case sensitive

Step 6

- This step requires you to enter the characters displayed on screen in the box. If you have trouble reading the characters, you can generate new ones by clicking the **New** link or click the **Audio** link to listen to them (you will need sound enabled on your computer).

Verification

Enter the characters you see
