

Instrumental Music Service

The ASCA Music Service provides music tuition to students at Abbey College and its feeder schools.

We offer 15*, 20 or 30 minute lessons on a wide variety of instruments, taught during the school day by our team of experienced peripatetic music tutors.

*please note that 15 minute lessons are only suitable for key stage one students.

Spaces are available from the next term for the following instruments at Bury Church of England Primary School:

- Woodwind:** Clarinet, Flute, Saxophone and Recorders (all)
- Strings:** Violin
- Keyboard:** Keyboard & Piano
- Guitar:** Acoustic Guitar, Bass Guitar, Electric Guitar, ukulele
- Voice:** Singing
- Drums:** lessons will be taken at the Abbey College after school hours

We offer the opportunity to perform in assemblies and concerts, to take exams or just to learn for fun. All ages are welcome although some instruments are not suitable to very young children.

We work on a 10 week term but you can sign up for half a term (5 weeks) if you want to try out!

☆ Joint lessons (which are a shared cost) are available for most instruments. ☆

All prices are listed on our website along with further information about our service.
