

<p>Year Group 4 Week beginning 18.05.20</p>	<p>English</p>	<p>Maths There are lots of games for telling the time on Purple Mash under Maths.</p>	<p>Other</p>
<p>Monday</p>	<p>Read the poem below:</p>  <p>Read the poem below: Night Cats howling Car doors banging Babies wailing Wind whistling Curtains flapping Grandma snoring Footsteps tapping Voices whispering People laughing Owls hooting Stairs creaking Dogs barking Clocks chiming Night</p>	<p>Telling the time!</p> <p>This week I want you to work on telling the time using an analogue clock.</p> <p>Please see the resources document for learning how to tell the time. This is a skill that you will use every day for the rest of your life, so it is really important you know it.</p> <p>Have a go at making your own analogue clock using objects from around your house (see the resources section for an idea).</p> <p>You could use toy figures or Lego blocks instead of cubes to show the minutes.</p> <p>See how creative you can be.</p>	<p>You've done all the research now for Mr Smith's holiday. You need to put all the information together. Create a poster to show Mr Smith your ideas for his holiday- fingers crossed he likes it.</p>

	<p>Make a list of all the nouns and verbs. Can you think of any more nouns or verbs associated with night?</p>		
<p>Tuesday</p>	<p>Your task is to write a poem in the same style as yesterday's poem. Your poem is going to be about morning.</p> <p>Today you are going to plan your poem, I want you to brainstorm:</p> <ul style="list-style-type: none"> • Sounds • Sights • Tastes • Events (brushing teeth) <p>All related to morning, please see resources document for an example of how to brainstorm.</p>	<p>Write a timetable for the day, draw a picture of an analogue clock showing the time you are going to do everything today.</p>	<p>Make a journey stick! (You have two days to create this)</p> <p>We are at the end of our topic about America. Today I would like you to create a journey stick to show what you have enjoyed learning about in this topic.</p> <p>Please see the resources for an example of how to make a journey stick. The example says to laminate- this part isn't important.</p> <p>Note: You can draw pictures rather than print them off the internet.</p>
<p>Wednesday</p>	<p>Time to write your poem! Using your plan from yesterday, can you write a poem with the title Morning?</p>	<p>See the resources document, there are some times to read, practise telling the time to the nearest 5 minutes. See the example to see how to write the answer.</p>	<p>Finish your journey stick!</p>

	Can you write it neatly and decorate it with pictures mentioned in your poem?		
Thursday	Design a new chocolate bar! Today I want you to invent a new chocolate bar, write a list of ingredients and instructions how to make the new chocolate bar.	Telling the time to the exact minute. Now you've mastered reading time to the nearest 5 minutes, let's look closer to the minute. See the resources document for support. You will also find some questions to answer.	Bonjour Classe! Today you're going to look at writing sentences about foods you like and dislike. See the resources for support. Can you write 3 sentences (with pictures) saying foods you like and 3 sentences (with pictures) saying food you dislike?
Friday	Design an advertising poster to persuade as many people as possible to buy your chocolate bar. Think about displaying the cost, the taste/flavours, where you can buy it and a picture of the new chocolate bar. Remember you want yours to stand out so make it neat and colourful.	Sometimes analogue clocks are shown in Roman Numerals. Today I would like you to remind yourself of Roman Numerals to 12. Can you draw a clock and add the numbers in Roman Numerals?	At the end of a half term we would always make sure our classroom was tidy, so today I want you to make sure your work is put away neatly, do a job to help someone out around the house and make a plan of everything you'd like to do over half term. Happy Half Term!
