7th July 2017

Dear Parents and Carers,

From this September the Lunchtime Company will be managing the catering service at Bury C of E Primary School.

Quite a lot is going to change.

First, all meals will be cooked from fresh ingredients every day. We use local suppliers where possible and source 60% of all fruit and vegetables within a radius of 60 miles of the school. We have a positive attitude to recycling, food miles and wastage.

The company is run by award winning Master Chefs who will continuously train and re-train staff to their high standards. The food, however, from the first day of term, will be fabulous.

Over the course of the academic year there will be various theme days and fun days – please look out for these (advertised around the school and on the school’s website).

Our aim is to make the lunchtime meal the highlight of the day for all students & staff; we really hope that we can welcome your child as a customer.

At Lunchtime Company we strongly believe that children should be reconnected to their food, where it comes from, how it’s produced and why healthy food is important.

With best wishes,

Samantha Barton
Commercial Director

Our purpose is to make your lunchtime meal the highlight of your day.
