

## Year 2 Homework – Summer 1

Your homework for this term is **YOUR CHOICE!** There are 9 activities to choose from, and I would like you to complete at least one of them by **Monday 20th May**. Have fun!

### **Project Focus: The Scented Garden**

- Plant bulbs and seeds at home and watch them grow. Bring in your plants (or photographs of them) to show your class.
- Grow a sunflower and keep a record of its height. Who can grow the tallest in the class?
- Keep a plant diary, explaining how you grew a plant. Include photographs or drawings of each stage of your plant's development.
- With an adult, search the web for examples of amazing plants and make your own weird and wonderful plant book.
- On a visit to the supermarket, find and discuss plants you can eat, including herbs, vegetables and fruit. Which part of the plant are they? The roots? The leaves? The flower? The stem?
- Visit a garden centre, florist or plant sale, or take a walk in your garden or local area. Amaze your adults with your knowledge of plant names. Find out the names of any plants you don't recognise.
- Grow a herb garden at home and use your herbs in some delicious recipes for your family and friends.
- Paint or draw flowers growing in the local environment or in a vase or pot in your home. Find pictures online of famous flower paintings and talk about your likes and dislikes with your adult.
- Press flowers between the pages of a book and use them to make gifts or cards for your family and friends.
