Dear Parents/Carers,

We've had a fantastic first full week back and the new Reception children are already settling in well. I had a great time playing with them in the park this morning on their first school outing!

Thank you to all the staff who have accompanied the children on the Y6 residential to Grafham Water. The children have had a wonderful time - please see our Twitter account for photos of them enjoying the many activities: @buryprimary

FoBS (Friends of Bury School) have asked us to point new parents (and old) to their Facebook page (search for The Friends of Bury School) where they share details of upcoming events. They have recently started selling pre-loved uniform so please have a look and see what's on offer. We really appreciate their efforts in raising money for our school. I'd also like to say thank you to Bethan, Rachel and Viv who have worked hard on gardening/weeding the front path and flower beds at the front of school today.

I appreciate it is still a worrying time with so many cases of Covid-19 reported in the Huntingdonshire area but please be reassured that we are still protecting our children and staff as well as we can. Please see information below regarding what we would ask you to do if you or a family member tests positive in order to help keep our school community safe.

Have a lovely weekend.

Emma Heanes

Head Teacher

### School timings:

May we remind you that school starts at **8.45am**. If children are late, they often take longer to settle and begin learning which has a negative impact on them and the rest of the class. It is therefore imperative that your child is on time.

### PE Uniform:

Please remember that PE uniform should be worn into school on your child's PE days - there is no need to bring a change of clothes. PE uniform consists of royal blue sweatshirt/cardigan/fleece (this can be their school top), black/blue shorts (as close to knee length as possible) / jogging trousers, plain t-shirt (no branding/logos/slogans) – this can be white or house colour – and plain coloured trainers, preferably black or white. Hoodies and football kits should not be worn.

### Jewellery/hair/nails/make-up:

We ask parents to help us by ensuring that items of jewellery are not worn to school (this includes charity wrist bands). Exceptions to this rule are watches and **studs/sleepers** (not hoops/dangly earrings) for those children with pierced ears (one stud/sleeper per ear in the conventional lobe position). Earrings should not be worn on PE days - if this is completely unavoidable, they should be taped before coming into school. Hair accessories can be worn but should be kept to a minimum e.g. plain alic bands, small slides and/or bows. No responsibility can be taken for the custody of these items when they are necessarily removed for PE. Long hair should be tied back.

Children should not wear make-up or nail varnish to school.

### Head lice:

We have had several cases of head lice reported. Please can you check your child's hair as soon as possible and treat if necessary.

### FoBS:

The next FoBS meeting has been rearranged for Thursday 23<sup>rd</sup> September. This will be a virtual meeting and the zoom link will be sent out nearer the time.

### Covid-19:

We strongly request that if a member of your household tests positive for Covid, you obtain a PCR test for the other members of your household and do not send children into school until they have had a negative result. We hope you understand that we are asking this in order to limit the spread of the virus and protect our school families and staff.
