Dear Parents / carers / governors

As part of our Personal, Social, Health and Citizenship Education (PSHCE) scheme of work, we are fortunate to be having a visit from the Cambridgeshire and Peterborough Life Education Centre for three days (20th/21st/27th November).

Our school's philosophy and practice in all areas of PSHCE relates to developing the necessary skills, knowledge and understanding about the human body in order that children come to make healthy choices.

Over the three days each class will visit the high-tech classroom and have a lesson appropriate in length and content to the children's age and understanding.

The purpose of this letter is to inform you of the visit and invite you to learn more about this initiative and find out more about what your child(ren) is/are doing. We have arranged the following sessions for parents, carers and governors:

Tuesday 21st November starting at 8.55am and finishing at 9.10am.

Monday 27th November starting at 2.55pm and finishing at 3.10pm.

Space in the mobile classroom is limited to a maximum of 18 adults. If you intend to come along please complete and return the attached slip so that we can endeavour to arrange additional sessions should it be necessary.
