3.4	Rachel again explained Amazon Smile and how works. This needs to be advertised on both the FoBS Facebook page and School Newsletter. Rachel did however make us aware that she is querying with Amazon why the amount we have received doesn't	

3.5	<p>seem to be as much as she thinks it should be based on how many times she herself has made an eligible purchase.</p> <p>Looking at the list of things the Children would like to see in the playground, agreement was made for the purchase of 5 giant daisy chalk boards to be put up for when the children return to school in September. 4.0	Update on Fundraising	
4.1	Stage is paid for and the Tesco Coin Scheme money has been received.	
4.2	Discussed using survey monkey to ask parents to have some input into what FoBS are raising money for as the box at parents evening in February wasn't as successful as we'd hoped. Tania suggested we could also run a survey to ask parent how they would like to be a part of FoBS. All agreed that this was a good idea. Once the new intake has started in September we can get these created and send notification out to parent via the Facebook Page and School Newsletter. We also discussed the idea of parents being able to complete these at parents evening whilst waiting to see their child's teacher. Emma Heanes to look into whether this is something that can be done on the iPads.	EH
