Dear Parents/Carers,

We haven't had the best start back this year, but I hope you are all still safe and well and managed to enjoy a bit of a break. Thank you for the messages of support we have received over the last few days – it really does help to lift our spirits and keep us going. Well done to you all for embracing the remote learning this week and preparing for the next phase as we move over to Microsoft Teams. We hope you will bear with us as we use this new method of remote learning. You will receive an additional email with more details about Teams later on today.

We would ask that you please speak to school (via email) in the first instance if you have any queries or concerns over your child's learning during this unprecedented time. We will do everything we can to help and will happily arrange for your child's teacher to call if you have anything you wish to discuss. Please remember, however, that our teachers are all working throughout the day, teaching children of Critical Workers and vulnerable children as well as preparing remote learning for those children working from home. We want to work together with you to make this time as stress free as possible so please keep communicating with us and we will do our best for you.

Please stay at home if you can. Take care and stay safe.

Emma Heanes

Head Teacher

Curriculum Letters:

Curriculum letters are now available on the school website (www.bury.cambs.sch.uk) under Parents – Letters Home. Please note, these letters were written prior to the current lockdown.

HCL menu and allergy information:

An introductory letter was sent out via email before Christmas from our new catering company, HCL – this is attached to the newsletter again today. This included information regarding special diets and allergies - if you do require a special diet for your child, please ensure you apply as soon as possible. We need this information as we go live from mid-January, **even if your child is not currently in school**. The letter and menu are also available on the school website under Parents – School Meals.

School meals new payment system - SchoolGrid:

A letter from SchoolGrid is attached to the newsletter email with details on the new payment system for school meals. Meals are £2.30 for children in KS2. We will let you know once the system is live and you can log in and start booking and paying for meals.

As dinner money accounts are being transferred across from Pupil Asset to SchoolGrid, we must ensure that there are no outstanding debts prior to the migration. Please check your balance and transfer payment to clear any debts on Pupil Asset **before Monday 11th January**. Contact the office (office@bury.cambs.sch.uk) if you would like to check your balance.

Local support:

Attachments to the newsletter email contain information regarding support you may wish to access during this time.

Upcoming events:

20th January – FoBS AGM (6pm) – link to be sent out
