

Picasso Class Home Learning Grid: Spring B - 2020

Learning Intention: Fairtrade Fortnight 2020

This activity needs to be the **first task to be completed** as it is based on the short Fairtrade film 'Guardians of the Rainforest'. We will be watching this film on Wednesday 26th February and you will have had an opportunity to take notes during this lesson.

Your task is to create a poster to advertise a forest friendly chocolate bar produced by the cocoa farmers of Ngoleagorbu, in the Gola rainforest, Sierra Leone. It should reflect the three elements of forest friendly farming: working together, farming sustainably and protecting the rainforest.

You need to combine your understanding of forest friendly farming and your creative skills!

Learning Intention: 'Our Diverse Planet'

This whole school home learning activity will be handed out on Wednesday 4th March and needs to be handed in on Monday 9th March. This activity will inform part of our Science Week learning.

Year 6 Expectations

Each week the children will be expected to:

- Learn and practise the current spelling rule.
- Read every day (at least 20 mins)
- Complete one home learning task (to the **same standard of work produced in school**)
- Practise and learn times tables (up to 12x) and number bonds to 1 (numbers up to 3 decimal places: e.g. 0.497 + 0.503).

Please write the learning intention and date at the top of the page, so that I can see which task you have completed.

Parents' role:

Please could you:

- Sign the home learning each week on completion.
- Let me know if they struggled with any of the tasks.
- Indicate if they spent the time on the task, but couldn't complete it.
- Let me know if there is a genuine reason why the home learning was not completed.
- Support and encourage, but avoid 'doing' the home learning for them!

Internet Access

The children can use the laptops at school any break time, if they are having problems gaining access to the internet at home.

Learning Intention: Mathematics

Your task is to complete the following assigned activities in the section **Decimals and Percentages**.

- Calculating Percentages
- Decimal to Percentages
- Percentage of a Quantity
- Percentage to Fraction

Please write in your book the DATE and LI so I can check your scores online.

Learning Intention: Problem Solving Magic Square

Complete the magic square - see attached sheet for actual grid and clues - using the numbers 1 to 25 once each.

Each row, column and diagonal adds up to 65.

Each square is identified by its column and row:

5					
4					
3					
2					
1					
	a	b	c	d	e

Learning Intention: SPAG.com

Your task is to complete the following assigned activity.

Date Assigned

[KS2 SATs Grammar Test \(B\)](#)

23-2-2020

Please write in your book the DATE and LI so I can check your results online.
