

End of Term News

School news Update

Our church school creates a firm foundation where together, with God's help and with the help of others, we learn for life, achieve our best and grow in faith.

Last Day of Term!

Today sees us reaching the last day of what has been another extraordinary academic year; one that I'm sure we will all remember and one which we hope to never repeat! The children have been amazing and coped so incredibly well with the change to routines, home learning, key worker bubbles, constant hand washing..... the list goes on but their resilience and resourcefulness has shone through.

We are also very aware that parents and school have very much been at arm's length through necessity and we hope that next term we will be able to welcome parents back into school. We also plan to have a social event for parents to reconnect together as well as with staff and for the children too. We will share details of this in the first half of the Autumn term.

A huge thank you

Words cannot express how completely overwhelmed the staff have been by the generosity of parents; both in the hugely generous gift as well as in your words in the cards and emails which you have shared. Every single member of staff has been touched and wished me to share a heartfelt **THANK YOU** to every single family.

We have decided to share half of the gift now and then to use the other half next term towards a treat. Some staff have shared what they will buy and it ranges from a running club membership, a facial, pots and plants for gardens and gin!! Once again a huge thank you to everyone.

Daisies Montessori Nursery

As you are aware, the planning process, lease and all permissions were granted for the relocation of Daisies to our school site. The build will begin in earnest on Monday 26th July and aims to be finished in 10 to 12 weeks. By the time we return in September, the site will be completely sealed off and made safe for our return and all entrances, exits and pathways will still be accessible. We are very excited about this project which has taken several years of planning and will keep you informed about progress.

STARS news

We are delighted to let you know that we have raised almost £2000 this term; a really impressive amount considering we haven't been face to face at all. Families have enjoyed a range of fundraisers this term and our thanks to everyone who has supported us.

£300 Other Donations Including School Uniform

£22 Scavenger Hunt

£159 Dare to be different

£285 Friday Night takeaway

£100 Father's day

By far our biggest fundraiser has been the challenge to raise £21 in 2021. Despite only 11 children taking part, this raised a huge £1100. The children who participated in this challenge are pictured with their prizes, including the first prize of £50 Amazon voucher for the most ingenious way to raise the money. Well done to all of these children for their efforts.

£21 in 2021

Letter from Dr Price

Our dedicated team of Governors have continued to support us over the last year and we have attached with this newsletter a letter from Dr Robin Price, Chair of Governors.

Fond farewells

We would like to say a fond farewell to our wonderful Year 6 children. We were so pleased to be able to hold a leaver's service outside in the sunshine where they shared their fondest memories of their time here as we shared our thoughts about them too. We wish every one of our Year 6 children all the very best on their next educational adventure at secondary school. We will miss you all!

Autumn Term 2021

School re-opens for children on Thursday 2nd September – we look forward to seeing you all then – Happy Holidays!
