

Make Some Noise!!

Click on the following link to access BBC Bitesize and learn about how to make music with objects you can find around your house, school or garden: <https://www.bbc.co.uk/bitesize/articles/zhbtjsg>

Read through the information, watch the videos and then complete Activity 1 and 2.

Why not...

- Take pictures of your new instrument or video yourself using your instrument and send it to your teacher.
