

Year 2

Topic 2 - Tuesday 14<sup>th</sup> July - PSHE

Last week we thought about changes that can happen in our lives. This week we are going to be thinking about a change that is coming up in September.

When you come back to school in September you will be in Year 3. To help us prepare for this we can use the sheet on the next page.

Imagine you are pirates heading on an adventure.

At the bottom of the picture is a harbour. On here write down things that are good or that you have enjoyed about Year 2 and KS1 e.g. I like the small playground. I liked learning about the Great Fire of London.

The island that you are sailing towards is Year 3. On the island, write what you are looking forward to about Year 3 and being in KS2.

The boat is for any of your worries or questions about Year 3. (If you don't have any you don't have to write anything on the boat.)

If you have any worries/questions on your boat that you want to share with us, please email them over.

This page is for you to share your feelings; your teacher will tell you more.
