

Topic task 1- Transition

Hello year 2!

When we begin in year 3 our first topic will be Me, Myself and I. In this topic we will explore many things including skeletons, what we eat and learning about ourselves. Your task to complete, is to create a collage all about you. We can then put these up on display in your new classroom ready for our new topic. You can either take a picture of your collage and email it to your new teacher (see emails below) or you can bring it in on your first day back.

Things to include in your collage:

- Your name
- Facts about you
- Your interests/ hobbies
- Your favourite subject
- Anything else you wish to tell us about!

Feel free to include as many drawings or images as you wish.

We are very much looking forward to seeing the work you create

Miss Childs and Mrs Sayer.
