

Over Primary School Parent Forum – Parent Class Representatives 2019-2020

Over Primary School is committed to improving parental involvement with the school and communication between school and parents. As part of this commitment the school has a Parent Forum which acts both as a means by which the Senior Leadership Team and Governing Body may consult parents and a means for parents to bring ideas, suggestions and any issues of concern to the attention of the school. Importantly, it is also a means of sharing positive news and conveying thanks to school staff which in turn can be fed into the school 'wellbeing board' within the staff room.

The Parent Forum is attended by the headteacher, a parent governor and parents of children from across the school. Additionally we have parent class representatives for each class and we hope that they can attend meetings when possible. There is a Parent Forum section on the school website where you can read minutes of previous meetings to see the kind of things we discuss.

Becoming a representative is an excellent way to become involved in your child's school. The Forum meets half termly and meetings are usually held at 7.15pm on weekday evenings, finishing no later than 8.30pm, often earlier. There is no need to attend every meeting.

If you are interested in volunteering please let the office know or contact us at the email address below. If you have any thoughts or ideas you would like to be brought to the Forum please either have a word with your class rep in person or via email, if your class does not show as having a rep, you can contact one of the reps for your year group (see below) or email forum@over.cambs.sch.uk

Please note: Matters raised can be anonymous should you wish. Any issues specific to one child, family or staff member should always be raised initially with the class teacher. We look forward to hearing from you!
