Dear Parents and Carers,

During your child's academic year in Reception, we will be using an exciting way to record, track and share your child's learning with you at home. This system, called an 'online learning journal' will enable staff to take photographs, videos and make written observations of the activities that your child does at school. You will then have access to this information (using your email address and a secure password to log in) so you can celebrate this learning at home too. Parents/carers can also add their own photos, videos and comments to the journal.

The system we are using is called Tapestry and is hosted in the UK on dedicated, secure servers. The servers conform to very high safety standards and are proactively managed by a central security team. The safeguarding of our children is very important to us. Everything that is added to Tapestry will be added to our school account and can only be viewed by the school staff that use the system and also yourself, using your own private log in details. Tapestry admin staff will only access these accounts with prior permission from the school (for example, if required to resolve a technical issue). A copy of Tapestry's 'Privacy, security and Back-up Policy' is available to view on request.

You will only have access to your child's journal and this cannot be seen by other parents. However, children in the class will sometimes be photographed with others as they work together. For this reason, we would like permission for your child to appear in photographs within other children's learning Journals. Once the Learning Journal is set up, it is crucial that you **do not** share photos or videos from your child's learning journal on social media or through other online platforms.

The photographs/ videos taken and uploaded to Tapestry by the school are the property of Wheatfields Primary School and you **do not** have permission to upload them onto any website on the internet. We ask that you protect the images of your own and other people's children by viewing and using them carefully. Any incidents where this confidentiality is broken will be dealt with very seriously and will result in your access to the system being withdrawn.

We are very excited about introducing this system to our school and would like you to find out more about it too. We would like to signpost you to Tapestry's website where you will find more information and videos: <http://eyfs.info/tapestry-info/introduction>

Attached to this letter is a permission and information slip to allow us to set up a Tapestry account for your child. Please read this very carefully before signing and returning it to your child's teacher **as soon as possible and no later than Monday 6<sup>th</sup> July 2020**. You will be given your account details in the next few weeks.

Yours sincerely,

Mrs Theresa Thornton  
Headteacher
