

## Year 1 - Home Learning Menu - Autumn 1

### Fabulous Fairy Tales

Please choose 1 activity from the menu to complete with your child by Friday 15th October. Children can bring their homework into school or submit it via class email. We will share these photographs with the rest of the class in the classroom so the children can celebrate each other's work.

<p><b>Art/Design and technology</b></p> <p>Can you design your own fabulous Fairy Tale character? Will they be a prince/princess? A hero or a villain? What will they look like? What will they wear? Draw or paint a picture!</p> 	<p><b>Geography</b></p> <p>Using a map, mark your journey from your house to the bridge in St Ives. What would you see on the way? Label any interesting places such as a park or church.</p> 
<p><b>PSHE</b></p> <p>How many different emotions can you think of? Draw or find pictures to represent each emotion. Which emotion are you feeling today?</p> 	<p><b>Science</b></p> <p>Go on a walk and look for the signs of Autumn! How many different coloured leaves can you find? Can you find a conker? Can you find a pinecone? You can take photos to share or draw your own autumnal picture to show what you have found on your walk!</p>
