Dear Parents / Carers,

June 2020

School Milk Scheme

All school age children under 5 years old, are entitled to receive free school milk! At Wheatfields Primary School, we will automatically enrol your child into this scheme, unless you wish to opt-out. When your child is about to turn 5 years old, the school will prompt you to complete an online registration form if you wish for your child to continue receiving subsidised milk at school. You will need to pay for this and can all be done online at www.coolmilk.com where you can also find out much more information on the school milk scheme.

If you **DO NOT** wish for your child to receive the free milk under the school milk scheme until their 5th birthday, please complete and return the reply slip below, to ensure that they are not included in the automatic registration.

If you wish to opt back in at any stage, this is always possible, and children can be registered online at www.coolmilk.com or by completing a registration form available from the school office or from Reception classes.

Yours sincerely,

Mrs Theresa Thornton
Headteacher
