

...in the news!

10th May 2019

This newsletter will keep you updated with events at Wheatfields Primary and it is intended to add to the information you receive on a regular basis from your child's class teacher in the weekly 'Learning Review' and termly curriculum letters.

Class Assemblies

Already this term we have enjoyed hearing about the learning taking place for some of our youngest learners in class 4 and class 2. Both assemblies were very well attended by friends and family and the children spoke confidently about their learning. They are quite right to feel proud of themselves and their enjoyment of learning was really lovely to see on their faces!

Cross Country

Every year Wheatfields enters the Cross Country event held in St Neots for Cambridgeshire schools. Teams of boys and girls represented Wheatfields brilliantly. Out of 136 teams in the boys race, Wheatfields A team came 11th and Wheatfields B team came 44th. Out of 123 teams on the girls race, Wheatfields came 53rd. In addition, the children represented Wheatfields very well in terms of behaviour, attitude and being supportive of each other. The rest of the staff and pupils were able to congratulate the teams in assembly. Well done to all of our runners – we are very proud of your efforts!

Year 2 SATs (Secret Agent Tasks!)

During May, Year 2 are being given some Secret Agent Tasks! They are definitely the right children to do these tasks as they are trying so hard to do them well. Thank you to parents for helping us with a good nights sleep and a good breakfast to get our Secret Agents prepared. Keep it up year 2!

Egyptian Day

Year 5 had a brilliant day last week to enrich their learning about Egyptians. The whole of year 5, including the staff looked fantastic. Thank you for helping to get the children suitably dressed for the day and thank you to the team of parents that were able to help run the activities for the children. We couldn't have run the day without you!

KS1 fence safeguarding

As part of safeguarding, staff that are on duty in the playground are asked to question any adults that have attracted the children's attention to talk to them through the fence. Every time this has happened to date, the adult has been known to the children and is a family member such as a grandparent. When staff are required to find out who the adult is, unfortunately, their attention is drawn away from what is happening on the playground. Therefore we would appreciate it if you could ask family members not to try to speak to the children on the playground during playtimes and lunchtimes. Thank you for your continued support.

Forest school area and play equipment

We would like to remind you that the outdoor play equipment by Burleigh Hill Pre-School and the Forest School Area at the back of the KS1 playground are not to be used before and after school. These areas must only be used when there is a member of staff present.

Year 6 SATs

It is assessment week in year 6 next week. The year 6 team would like to thank year 6 for their outstanding effort and attitude towards their assessments. We know that they will do their very best and that is all we can ask. Get lots of sleep, have a good weekend and all of the staff and pupils are behind you and we wish you every success!

I have been asked by pupils in year 6 to consider allowing the year 6 pupils to have a dress down day on Friday to celebrate the end of the SATs. I think it is a great idea and one that they thoroughly deserve. No donations are required.

With very best wishes,

Mrs Thornton
