

This is a planning format and is subject to change according to the children's needs and interests.

PSHE Children will learn about the rules and laws which protect themselves and others. They will be taught about the basic human rights shared by everyone, as well as the UN Rights of the Child. We will discuss responsibilities, rights and duties they may have at home, at school, in the community and towards the environment. They will look at money management and different cultures.

History Children will look at similarities and differences between Japan and Malaysia, and changes in these countries over time. They will be able to explain how Parliament affects decision making in England.

Science

Summer 1: Living things and their habitats - Describe how living things are classified into broad groups according to common observable characteristics and based on similarities and differences, including micro-organisms, plants and animals. Give reasons for classifying plants and animals based on specific characteristics

Summer 2: Sex and Relationships Education - Describe the differences in the lifecycles of a mammal, an amphibian, an insect and a bird. Describe the life process of reproduction in some plants and animals. Describe the changes as humans develop to old age

UNIT TITLE: Our Place in Space

MAIN SUBJECT FOCUS: History, Geography and PSHE

Summer Term

Geography Children will use maps, atlases, globes and computer mapping to locate the world's countries, concentrating on their environmental regions, key physical and human characteristics and major cities (with a focus on Japan and Malaysia). They will describe and understand climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes.

English

Myths and Legends.

Explanations - Encyclopaedia entries.

Class Fiction - Kensuke's Kingdom.

Recounts – Diary entries (*in topic*).

Instructions - For origami (*in topic*).

Maths

We will continue to focus on fluency, reasoning and problem solving.

The units we will cover are: decimals, percentages, geometry and measurement (inc. volume),

In addition, discrete learning:

Guided Reading

Spelling

Grammar

Computing

RE, including Shinto

French

Music

PE Cambridge United PE.

Swimming with Miss Hobbs.
