

**Airwaves 16 March 2018**

**No. 24**

Dear Parents and Carers

We hope those of you who came to see the wonderful performances of *Dragon Days* this week enjoyed them as much as I did. The children did fantastically well - beautiful singing, great acting and impeccable behaviour throughout. A huge thank you to the Key Stage 2 staff who worked so hard to bring the show together and to you the parents for helping find costumes and support for the children in learning their lines.

On Tuesday all of Year 1 went to the Bellbird school to take part in a multisport tournament with our cluster schools. They had a very enjoyable active morning.

Today Year 5 were invited to Sawston Village College to listen to the 'Brass Funkeys' band. It was a wonderful musical experience and inspired Year 5 ready for their brass lesson this afternoon. All of them are learning how to play a brass instrument this term.

A reminder about the second parents' evening (that had been postponed due to adverse weather) taking place on Wednesday 21<sup>st</sup> March. Your appointment time will be the same as previously scheduled unless you have made alternative arrangements with school.

#### **Key Stage 1 puppet shows**

Key Stage 1 have been making puppets and will be presenting a short puppet show for parents before the end of term. Sunflowers and Daffodils' show will be on Monday 26<sup>th</sup> March at 2.30pm. Bluebells class puppet show will be on Wednesday 28<sup>th</sup> March at 2.45pm. Parents are welcome to watch!

#### **Cambridge Science Festival**

Cambridge Science Festival has lots of free events for families and runs from 12 March - 25 March 2018.

Booking lines for all pre-book events are open from 11am-3pm, Monday to Friday. The Festival web address is: [www.sciencefestival.cam.ac.uk/](http://www.sciencefestival.cam.ac.uk/)

#### **Parking outside school**

Unfortunately we have once again to remind people to park considerately outside school. Our neighbour in St John's Street has been unable to access her drive on more than one occasion this week and we have had complaints too that people are not respecting driveways in Elms Close. There are also problems with people leaving car engines running outside people's houses, which is very antisocial and bad for the environment. Please think of others when you park your car.

## Swimming

Swimming on Thursday mornings at Sawston Village College for Key Stage 2 children will start straight after the Easter holidays. Please see the letter attached with Airwaves today which gives the timetable when your child is swimming. Please do make sure they have a swimming kit with them on the right days!

## Class assemblies for next term

We now have a timetable for class assemblies in the summer term. Please check the diary below for your child's assembly. All the assemblies start at 9.00 am.

Yours sincerely

Debbie Gould  
*Headteacher*
