Headteacher: Mr Peter Allen

Year 1 - Remote Learning

March 2021

What is remote learning?

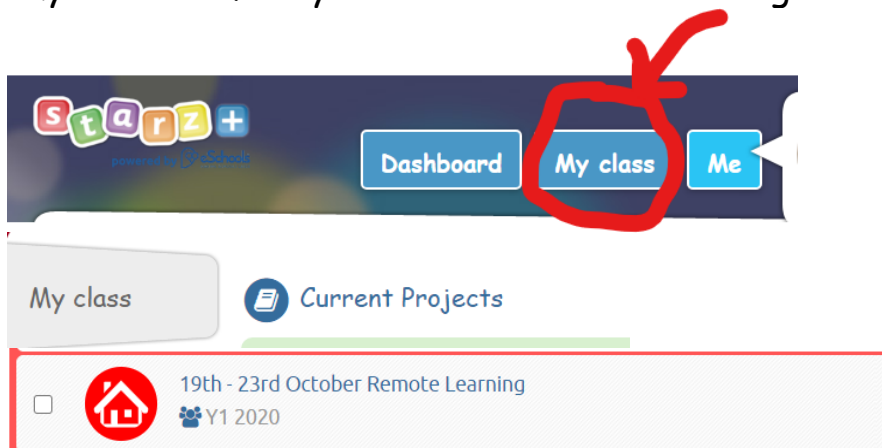

Due to the Coronavirus, children may have to miss school while they isolate or due to lockdowns. This may be for a couple of days if they are waiting for test results or ten days if a member of their household has had a positive test or longer in the case of a lockdown. Remote learning is learning from home when you cannot be at school because of Covid-19.

What will remote learning look like?

You can access the remote learning activities using your child's Starz account.

<https://brampton.eschools.co.uk/login>

Here you'll find a lot of useful web links on your home page and you can go to 'My class' to find your child's remote learning activities in 'Projects'.

Click on the current week's 'Project' to see the activities for the week and then click on the activities to view them.

19th - 23rd October Remote Learning

Item Name	Times
<input type="checkbox"/> English	Ongoir
<input type="checkbox"/> Maths	Ongoir
<input type="checkbox"/> Phonics	Ongoir

Which activities does my child need to do and when?

Each week we will provide you with our school timetable so you have an idea of what we would normally do at school and when.

Where possible, each day, we would like your child to read a book for 10 minutes or more and complete an English, Maths and Phonics activity. There will be lessons for other subjects (such as History, Science, Art, Music, PE, RE and PSHE) which you can choose when to complete.

Reading

Children should read to an adult or to themselves for at least ten minutes each day. Children may choose to read books you have at home or read books online using Oxford Owl or Collins E-books. You can access both of these websites from the Starz homepage - please email your child's class teacher if you have any trouble with this.

Maths

At school we plan our lessons based on a scheme called 'White Rose'. In 'Projects', there will be a link to watch a teaching video for each day created by White Rose and a worksheet or activity instructions to go with it. There may be three activity levels for you to choose from (Challenge 1, Challenge 2 and Challenge 3), please choose the right level for your child.

English

We have English lessons four times a week at school. In 'Projects' you will find Power Points, possible web links and activities to complete.

Phonics

We will upload our lesson Power Points and activities for your child to do. We have four phonic lessons a week normally so there will be four lessons to

complete. Your child can also click on the Phonics Play link on the home page for some fun games.

What if my child can't do all of that every day?

Our aim is to provide your child with at least three hours' worth of work a day, so that *if* you can support your child's learning every day you will not run out of work. We understand that sometimes family members may be unwell, working from home, or for other reasons it may not be possible to complete everything provided in 'Projects'. This is OK. Just do whatever you can when you can.

Who will see the work?

We expect to see the children's work that they are completing at home. Please send the work (or a photo of the work) as an attachment in a Starz message to your child's class teacher.

What if my child gets stuck on work or does not understand work provided?

The teachers will all still be here (providing we are well) so email us a message using Starz or your child's class email account and we'll get back to you as soon as we can, during working hours.

What if I would like more activities?

There are lots of links on the Starz home page your child could try for even more activities.

What if I can't print the activities?

You can email us using Starz or the class email addresses and request a printed work pack, but you will need someone who is not isolating to collect it for you as soon as possible. These packs do take time to prepare so we would appreciate it if you only requested one if you cannot print and if you are able to have it collected.

What if my child's bubble is closed?

If the whole bubble is sent home to isolate then we will continue to send work via Starz in 'Projects'. More details will also be provided at the time if this were to happen.

Will my child still need to do homework?

The home learning will continue to be sent out every two weeks and can be seen and submitted in the 'Homework' section of Starz, under the 'My Class' tab.

Please contact us via Starz or class email if you have any questions.

1maple@brampton.cambs.sch.uk (Miss McAuley & Mrs Henson)

1beech@brampton.cambs.sch.uk (Miss Linsell, until Miss Ross returns)

1willow@brampton.cambs.sch.uk (Miss Dearnley)

Thank you for your ongoing support.
