5th June 2020

Dear Year 3 and 4 Parents/Carers,

As stated in the previous letter, we are delighted to announce that ahead of schedule, and following the successful launch of our Diamond Online Learning Platform for Years 5 & 6 last week, we are now able to 'soft launch' Diamond Online for Years 3 and 4 on Monday 8th June.

You will now find all learning resources on our website, which can be found at:
<https://www.diamondonline.uk/>

Year 3 and 4 Website Page

On the Year 3 and 4 website page, you will find approximately 3 hours' worth of learning for each day. Every day will include an English, Maths and Creative lesson. There will also be opportunities for extra lessons including PE, PSHE and Outdoor Learning.

We have placed Years 3 and 4 together, so you may find that your Year 3 child is completing a Year 4 unit of work or vice versa, this is what we have planned. Please be assured that each lesson comes with its own support and challenge document or video, so your child will be able to access the learning.

On the new website, there are videos to help you and your child navigate the pages. Please find these here: <https://www.diamondonline.uk/how-to-use-the-online-school>

This is a very new project and unfortunately there will be some teething issues. If you have any further questions or queries on this, please email: feedback@diamondonline.uk where colleagues will respond as quickly as possible.

Reading

As mentioned in the previous letter, we encourage your child to read for at least 20 minutes a day. Your child may have access to Accelerated Reader, so we would encourage them to quiz as much as possible. Your child may also have access to Oxford Owl, or Amazon Kindle where they can read free books online. There is supportive information from the Education Endowment Foundation flagged in the parents section of our website.

<https://www.diamondonline.uk/parents>

Thank you for your patience and support once again as we set up our new remote learning website.

Yours sincerely,

Lauren Turner and the Year 3 and 4 Team
On behalf of Diamond Online (part of TDLPT)
