Dear Parents/Carers

As the end of the Summer term approaches we are preparing our learners for their next steps. Today most of our Year 6 pupils spent the day at their secondary school and I have no doubt that they will have engaged in the many new learning experiences in an enthusiastic way. I would like to wish all of year 6 every success in their new Secondary school. We look forward to their Leavers' assembly on Friday 20th July at 9.30am when we will celebrate their successes at Thomas Eaton Primary Academy.

All of our children spent this morning in their new classes. The children I spoke to have had a great morning and I have listed below the class structure for next academic year.

Class	Class Name	Class Teacher
Pre School	Explorers	Sarah Allum
Reception/Year 1	Armstrong	Debbie Sycamore
Year 1 / 2	Earhart	Clare Curr
Year 3	Curie	Nic Webb/ Jo Turner
Year 4 / 5	Pankhurst	Andrea Crellin
Year 6	Hawking	Katharine Bultitude

We are sad to be saying goodbye to several members of staff at the end of this year; Jackie Mills is moving to another Deputy Headship position and Sue Jeeves and Gillian Bowers are both retiring. We wish them all well and would like to thank them very much for all their hard work and support over the years.

You will, by now, have received your child's annual report. I would like to apologise once again for the erroneous attendance data that was published. This was an error within the system and you will receive your child's attendance data. The attainment data within the report is based on teacher assessments through the year and I attach a grid which summarises the levels given. If you are yet to collect your report please come into the office to do so.

The digit corresponds to the age related expectations for that year group e.g 2B = the age related expectations for a pupil in year 2. 5S+ = the expectations for a pupil working in year 5.

I hope that the table overleaf aids your understanding of the levels, however, please do not hesitate to contact me if you have concerns.

B	Beginning
B+	Beginning plus – the child has begun to make progress
D	Developing – the child is achieving more of the age related expectations
D+	Developing plus- the child is almost there.
S	Secure – the child is meeting the age related expectations
S+	Secure plus – the child is mastering and developing the age related expectations

Inter Village Sports

Congratulations to all the children who took part in the Inter Village Sports day last week. Thomas Eaton competed extremely well and secured the overall 2nd position. All the children who participated will receive their well-earned certificates in our Celebration Assembly this Friday.

Breakfast / After school Club

If you would like your child to attend our school breakfast club which will open at **7.15am** each day or our after school club, which will run daily after school until **6pm**, please contact the school office. Spaces are limited.

Summer Fayre

The moment has arrived, I am sorry it has taken so long. The final expenses came in on Friday so I am now in a position to let you know how we got on. We raised an amazing **£1664.36** on the day with a further £26 the following day from plant sales making a grand total of **£1690.36**. This is £403.02 more than last year, which I think is a fantastic achievement and one we should all feel really proud of.

And the good news doesn't stop there, you will recall that some of the PTFA team also sold refreshments on Sports Day, where we raised a further £66.20.

So in two days we made £1756.56

This is a fantastic amount raised so **THANKYOU !!**

Attendance – Pippa the Bear

Last week's figures (w/e 6th July 2018) were:

- Reception – 89.5%
- Year 1 – 78.9%
- Year 2 – 93.7%** Well done to Ennis Class
- Year 3/4 – 93.0%
- Year 4/5 – 91.2%
- Year 6 – 91.0%

For w/e 06/07/18 unfortunately every class had recorded lates ☹

eSchools:

Please ensure you are able to access either the platform (via the school website or you have the App installed on your phone/device) to ensure you receive all letters and texts that we send out.

If you have the App installed you will receive automatic alerts for any new communication so it is best to get this app installed on your phone!
