

Dear Parents/Carers

Diamond online learning platform

As you are aware DLPT now has a team of staff supporting the learning of all our pupils at home. This site is constantly being developed and I was pleased to receive the following email last week

As we are now at the end of the first week of the new online learning platform for year 3, I just wanted to take the time to give you some feedback. I am a single parent to my son and lockdown has been difficult, as you can imagine. Up until about a month ago we had a good routine for home schooling, but in recent weeks it has been difficult to find structure and keep George enthusiastic. However, this week with the new Diamond Online learning, George has found his thirst for learning again! He has particularly enjoyed the Maths & English lessons. He has also been able to work independently most of the time without me having to try and encourage him, and is keen to do more! From my point of view this is a huge relief because I do worry about him getting out of the habit of learning and I am pleased that he is motivated again. The site is easy to navigate and everything is clearly laid out, which makes it easier for both of us. We also like the range of additional activities such as storytime and outdoor activities. So, I would just like to say a big thank you to everyone that is involved and look forward to next week's work!

The Team are working hard to meet everyone's needs and feedback really helps them to improve the activities and resources so please feel free to use the feedback facility on the site.

Local Heritage Pack

We have a small number of Local Heritage Packs to give to pupils in KS2 who are interested in achieving a Discover Arts Award through studying our local heritage. If you would like one of these packs please telephone the school office 01354 740392 before Friday 3rd July and we will arrange a time when you can collect your pack and resources.

Outstanding payments

We are still awaiting some outstanding payments for School meals, Pre School and BSC/ASC. Please email the School Office in order to discuss these payments office@thomaseaton.cambs.sch.uk.

Maths Whizz

Well done to Malala class who have really worked hard on their Maths Whizz and gained the most progressions in the last two weeks!

Yours Sincerely

Nicola Jones
