Home School Agreement

In line with sections 110 and 111 of the School Standards and Framework Act 1998 the governing bodies of all maintained schools, academies, city technology colleges and city colleges for the technology of the arts must publish a home-school agreement and associated parental declaration. The home-school agreement will be reviewed periodically and if revised, it will be re-issued. This agreement will be discussed with the children in class and each child will sign it.
