[EYFS Home Learning Resources – Cambridgeshire County Council](#)

There are many resources available to ensure families, settings, and schools are supported during this challenging time.

Cambseyc has recently updated its list of EYFS ideas for both families and practitioners to help remote learning for children under the age of 5: cambsearntogether.co.uk/home-learning/early-years.

At the top of the list is the newly launched [50 Things To Do Before You're Five](#) app and website – providing low cost and no-cost experiences for families and children to do together in Cambridgeshire and Peterborough.

Our team of advisers across Cambridgeshire and Peterborough have also created [The Home Learning Hub](#), featuring a range of free activities, challenges, and projects for children to try at home.

These will be updated regularly, so please keep checking and sharing this information with parents and careers.
