

Dear Parents / Carers

Our next Celebration Assembly will be held on **Friday 21st June at 9am.**

We look forward to seeing you there to help us celebrate the pupils' achievements.

Outspoken/Bike ability

Last Thursday all children in the School took part in a day of cycling with "Outspoken". They had tremendous fun trying out all the various bicycles and over the next few weeks some of our learners will be developing their cycling skills and their bike maintenance!

Coffee and Catch up

Our next session will be **Thursday 27th June 9 -9.30am and 2.30-3pm.** This is an ideal and informal opportunity for you to meet some of our Support Staff to raise any concerns you might have or share in any suggestions that you feel could move our school forwards. Thank you for your support.

Summer Fayre

This year our Summer Fayre will be held straight after school on **Friday 28th June.** We look forward to seeing you there to support our school and raise monies that will benefit your children in a range of ways. If you can donate any items for the Summer Fayre we are looking for new items for the Tombola and bottles for the bottle stall. Your support is greatly appreciated.

Parent/ Carer Questionnaire

Attached to this week's newsletter is our Parent/Carer questionnaire which we would really like you to complete to help us in moving the School forwards. Your children will be completing a similar questionnaire in the next few weeks and together these will help us identify what we are doing well and what we can do even better. Your support is very much appreciated – so thank you in advance for taking the time to complete this questionnaire.

School Website

We aim to keep our website as up to date as possible and recently we have added lots of pictures of our learners engaging in exciting activities such as Curie Class' visit to the Tower of London last week, Pre School and Armstrong's class visit to Hamerton Zoo, our Quick Cricket teams, the Bike at School week, the visit to POSH and the beautiful work that our Learners create on a daily basis at school.

This week we are adding the end of year expectations in the Foundation Subjects; Science, MFL, PE, Geography, History, PSHCE, Music, Art, DT, Computing and RE. These will enable you to understand what your child should be able to do at the end of this year and our End of Year reports which will be sent out on **Friday 12th July** will refer to these documents.

Please take a look and tell us what you think!

Tepees

One of our parents has very kindly offered to make the children some teepees to use at playtime. In order to create these teepees she is asking for donations of the following;

- Long poles (84 inches long and no more than 1 inch diameter) these can be wooden, plastic or PVC.
- Old bed linen patterned or plain, single sheets/duvets or bigger
- Large wooden beads
- 1 inch thick ribbon

If you are able to donate any of these materials we would be extremely grateful!

Sports Afternoon

Due to the very inclement weather this week we have decided to postpone our Sports Afternoon until **Monday 8th July** 1.30pm. We apologise for any inconvenience caused but the children have not been able to practise at all this week and the younger children especially need a little bit of rehearsal time! We thank you for your understanding and look forward to seeing you on Monday 8th July instead.

Good News!!

We have many reasons to celebrate at Thomas Eaton School and we want to share the good news with you. Your child may well receive a postcard home outlining their exemplary behaviour/achievement/effort.

I would like to congratulate the children in Armstrong and Earhart classes who have been working really hard on learning their flashcards. Well done all of you!!
